## B.R. COHN 2003 CABERNET SAUVIGNON OLIVE HILL ESTATE VINEYARDS SONOMA VALLEY

B.R. Cohn Winery has consistently produced one of the premier Cabernets in California from our Olive Hill Estate Vineyards in the heart of the Sonoma Valley. Underground natural hot springs warm the soil and gentle ocean breezes create a unique microclimate perfectly suited for growing Cabernet Sauvignon.

The 2003 vintage produced a wine with more pronounced fruit character than our 2002 vintage. It has rich aromas of plum, black currant and earth, and a hint of mint surrounded by toasty French oak, anise and cedar. On the palate are luscious berry and cherry flavors, silky tannin, and a warm lasting finish. This wine is fermented in small lots and aged for twenty-four months in the best tight-grain French oak barrels.

We invite you to visit our scenic Winery Estate located in the heart of Sonoma Valley to enjoy our fine wines, olive oils and hospitality and also the B.R. Cohn website at [www.brcohn.com](http://www.brcohn.com).
