

B.R. COHN WINERY

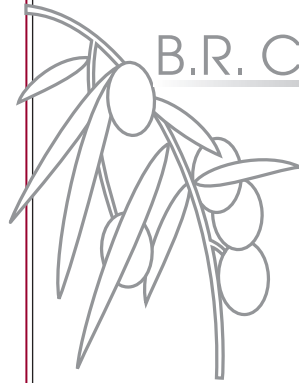

Olive Hill Estate Vineyards

Founded by Bruce Cohn in 1984, B.R. Cohn Winery is located in the heart of Sonoma Valley. This small family-operated winery is surrounded by the 90-acre Olive Hill Estate Vineyards, where soils warmed by underground natural hot springs and gentle ocean breezes create a unique microclimate, resulting in ideal growing conditions for Cabernet Sauvignon. B.R. Cohn also produces Chardonnay from the Carneros region and Merlot and SyrCab from Sonoma Valley.

In addition to its award-winning wines, B.R. Cohn makes world-class California gourmet Olive Oils and hand-crafted Vinegars. The Estate Olive Oil is crafted from 145-year-old French Picholine olive trees imported from France in the mid 1800s, which surround the estate.

Since founding the winery, Bruce Cohn's focus has been to create wines that emphasize balance, elegance and consistent high quality from vintage to vintage.
