## MOOSE'S RED 2004 NORTH COAST RED WINE

Moose's red wine is produced from grapes grown on the Olive Hill Estate Vineyard and selected North Coast Vineyards. This combination offers full rich flavors of berry, cassis and black cherry with hints of vanilla.

Bruce Cohn dedicated this wine to his family pet dog, "Moose," — dark colored, short legged and bold. Moose's mission in life is to eat well, be loved, get petted and sleep a lot. This wine has the potential of becoming your best friend.

A portion of the profits of this wine is donated to our local animal shelter. **Cases produced 170**
