B.R. COHN 2004 SYRCAB

The 2004 B.R. Cohn SyrCab is produced from Cabernet Sauvignon and Syrah grapes grown in specially selected vineyards. This wine is as unique as its trademark name. The combination of these two varieties produce a wine with exotic briar, plum and black cherry fruit, surrounded by coffee, mocha, caramel, and a hint of mint and earth. Aging for 18 months in premium French oak barrels produces a wine of complexity and balance with silky tannins and a smooth, long finish.

We invite you to visit our scenic winery at the Olive Hill Estate located in the heart of Sonoma Valley to enjoy our fine wines, olive oils and hospitality, and also the B.R. Cohn website at www.brcohn.com.
