## MOOSE'S RED 2005 NORTH COAST RED WINE

Moose's red wine is produced from grapes grown on the Olive Hill Estate Vineyard and select North Coast Vineyards. This combination offers full rich flavors of berry, cassis and black cherry with hints of vanilla.

Bruce Cohn dedicated this wine to his family pet dog, "Moose," — dark colored, short legged and full-bodied. Moose's mission in life is to eat well, be loved, get petted and sleep a lot. This wine has the potential of becoming your best friend.

A portion of the profits from this wine are donated to our local animal shelter.

We invite you to visit our scenic winery at the Olive Hill Estate located in the heart of Sonoma Valley to enjoy our fine wines, olive oils and hospitality, and also the B.R. Cohn website at [www.brcohn.com](http://www.brcohn.com).
