

B.R. COHN WINERY

Olive Hill Estate Vineyards

Founded by Bruce Cohn in 1984, B.R. Cohn Winery is located in the heart of Sonoma Valley. This small family-operated winery is surrounded by the 90-acre Olive Hill Estate Vineyards, where soils warmed by underground natural hot springs and gentle ocean breezes create a unique microclimate, resulting in ideal growing conditions for Cabernet Sauvignon. B.R. Cohn also produces Chardonnay from the Carneros region and Merlot and SyrCab from Sonoma Valley.

In addition to its award-winning wines, B.R. Cohn makes world-class California gourmet Olive Oils and hand-crafted Vinegars. The Estate Olive Oil is crafted from 140-year-old French Picholine olive trees imported from France in the mid 1800s, which surround the estate.

Since founding the winery, Bruce Cohn's focus has been to create wines that emphasize balance, elegance and consistent high quality from vintage to vintage.

2005 NORTH COAST MOOSE'S RED

Moose's Red is produced from grapes grown on the Olive Hill Estate Vineyard and select North Coast Vineyards. This combination offers full rich flavors of berry, cassis and black cherry with hints of vanilla.

Bruce Cohn dedicated this wine to his family pet dog, "Moose" — dark colored, short legged and full-bodied. Moose's mission in life is to eat well, be loved, get petted and sleep a lot. Like Moose, this wine has the potential of becoming your best friend.

A portion of the profits from this wine are donated to our local animal shelter.
