

B.R. COHN WINERY

2007 SONOMA VALLEY OLIVE HILL ESTATE VINEYARDS CABERNET SAUVIGNON

The long warm 2007 growing season, along with a very low crop and smaller concentrated berries yielded us one of our best Cabernets to date. This wine has much of the ripeness of 2004 with more pronounced aromas and flavors of plum, black currant, and cherry. As always, this exceptional vintage was fermented in small lots to ensure the character of each part of the Olive Hill Vineyard. This vintage was aged for 24 months in only the finest tight grain French oak. A bouquet of fine oak, anise and mint combine with supple tannin and a long finish to produce a well-balanced rich full-bodied Cabernet that will age well for years to come and drink well at your table now.

B.R. Cohn Winery has consistently produced one of the premier Cabernets in California from our Olive Hill Estate Vineyards in the heart of the Sonoma Valley. Underground natural hot springs warm the soil, and gentle ocean breezes create a unique micro-climate perfectly suited for growing Cabernet Sauvignon.
