## 2008 SONOMA VALLEY TRESTLE GLEN ESTATE VINEYARDS CABERNET SAUVIGNON

The Trestle Glen Vineyard Cabernet is part of the B.R. Cohn Olive Hill Estate and is grown using sustainable farming practices. The unique microclimate at B.R. Cohn Winery, featuring underground natural hot springs and gentle ocean breezes, provide high quality grapes vintage after vintage.

Produced using only Kosher certified methods and products. This 2008 Cabernet Sauvignon has deep aromas of plum and black cherry. Aromas of spice, anise, white pepper and cedar cigarbox combine with ripe luscious flavors to create a full bodied Cabernet with a lasting finish. This wine was fermented in small lots and aged in the finest tight-grain French oak barrels. Enjoy this wine paired with pot roast, beef brisket, steak and chops.
