

B.R. COHN WINERY

ROADSTER RED CALIFORNIA RED WINE

One of only 98 built in Australia, this very rare 1933 Willys Roadster was rebuilt by Bruce Cohn over 18 years as a street hot rod. After winning top awards in several West Coast car shows, this GM Ram Jet 502 powered Roadster now serves as one of Bruce's daily drivers.

This wine is bright with aromas of raspberry, blackberry, and cranberry. Aging in French and American oak provides a spicy bouquet of white peppercorn and clove. Our Roadster wine is lush on the palate with a bright berry finish. I hope you enjoy this wine as much as my family and I do.
